For the attention of:
The Director/Manager

FREE Key Holding & Alarm Response Service

Relieve your staff from the inconvenience, delay and risk of injury from going to a potential break-in at work at 3am. We offer a FREE key holding service and FREE alarm response service - normally £300 a year.

We have security officers patrolling throughout West Yorkshire and we would be happy to keep an eye on your business each night. Just request at least one security patrol visit a night, from only £4 a visit, and we will protect your business from trespassers, vandalism, burglary and criminal damage and give you our key holding & Alarm Response service free of charge (more details on reverse).

We guarantee to save you 15% on any current security services

Don't worry if you're already in a contract for any of these services, just call today and tell us the date that your contract expires and we will contact you near this time and offer to save you at least 15%.

Our mobile security patrol visits cost from only £4.00 per visit and we will:

- Guarantee random mobile patrols 7 days a week, every night of the year.
- Stay onsite for 10-15 minutes each time we visit.
- Give you free GPS vehicle tracking reports, detailing the exact time of each visit.
- Put up highly visible deterrence signage.
- Respond to all your alarm activations within minutes
- Produce a detailed report of all actions taken.

Don't wait until you become a victim of crime and inconvenience - the cost of your down-time due to loss of computer data, equipment and damage cannot be under estimated. Sleep easy knowing that we are visiting your business and keeping an eye on your premises at random intervals every night of the year.

Simply call: **0845 25 76 102**

or visit: **www.nighthawksecurity.co.uk**

to find out more and arrange for an appointment to discuss your requirements.

All our Security Officers are highly trained and hold Security licences which are regulated by the Security Industry Authority (SIA). This Security licence, which is renewed every three years, shows that the holder has received the right standard of training and has had 10 years criminal records checked. We only employ people with these credentials and who possess a high level of integrity.

You can have the peace of mind knowing that we are looking after your business. All our patrol vehicles have satellite tracking devices, which enable us to monitor their every move. **We give you online access to a free monthly tracking report, detailing the exact time that our patrol vehicles were at your business every night.**
