Dfes Reference

Dear Head Teacher,

NightHawk Security protect many schools throughout West Yorkshire with evening mobile patrols. Our highly trained & smart uniformed officers walk round the grounds of each school at random intervals checking windows and doors, being a visual deterrent and removing any trespassers before any serious criminal activities can occur.

- STOP Trespassers on school grounds.**
- STOP Theft of roof lead and slates.**
- STOP Drinking onsite & broken bottles.**
- STOP Vandalism, theft and arson.**

For only £25 per week, we can also protect your school. Our service includes:

- 4 random mobile patrol visits per week, every week of the year.
- Stay onsite for 5-10 minutes each time we visit.
- Free monthly GPS vehicle tracking reports, detailing the exact time of each visit.
- FREE highly visible deterrence signage.
- Inform neighbours to report trespassers to our control room for immediate action.

We would be delighted to give you recommendations from other head teachers that are receiving our school patrols and are very happy with our services.

This service costs only **£25 per week**, more patrols can be added for only £7 per visit and we also provide lock up and stewarding services for evening events.

SECURE KEY HOLDING SERVICE . . . FREE ALL YEAR

Call TODAY and we will also give you our secure key holding service, free all year - saving £300.

Avoid the inconvenience, delay and dangerous task for your caretakers and staff attending late night alarm activations alone. Nighthawk Security are offering all schools in West Yorkshire a free key holding 12 months, saving over £300. If your alarm is activated, we will respond swiftly to investigate (Alarm activation callouts are charged at £35. This charge is fixed regardless of the length of time needed to be onsite)

All our Security Officers are highly trained and hold Security licences which are regulated by the Security Industry Authority (SIA). This Security licence, which is renewed every three years, shows that the holder has received the right standard of training and has had 10 years criminal records checked. We only employ people with these credentials and who possess a high level of integrity.

You can have the peace of mind knowing that we are looking after your school. All our patrol vehicles have satellite tracking devices, which enable us to monitor their every move. **We give you online access to a free monthly tracking report, detailing the exact time that our patrol vehicles were at your school every night.**

We also provide the following products and services:

- Key holding
- Alarm response
- Mobile patrols
- Locking up after evening events
- Event stewarding & car park management
- Static security guards
- Free security consultations
- CCTV & monitoring
- Intruder alarms & upgrades
- Access control systems
- Fire alarm systems
- Security lighting & repairs
- Grilles, locks & shutters
- Fencing & gates

Simply call: **0845 25 76 102**

or visit: **www.nighthawksecurity.co.uk**
to find out more and arrange a FREE security risk assessment and consultation.

Kind regards,

Nigel Williams, Security Consultant.
